MISSION AND VISION

Our mission is to be an industry leader in satisfying the needs of our customers by utilizing proven techniques that allow for the efficient execution of projects with commitment to continual improvement in quality.

This commitment to meet customer requirements shall be exercised through the control of all activities allowing for the economic use of resources and minimizing the possibility of non-conformity, with the support of our qualified management and technical teams.

Compliance and Safety Update

- ✓ Accredited according to ISO 14001:2015 & ISO 45001:2018 standards, our Plant adheres to stringent environmental and occupational health and safety protocols.
- ✓ Demonstrating our commitment to social responsibility, we prioritize the safety and well-being of our employees and stakeholders.
- ✓ We have implemented a robust EOHS (Environment, Occupational Health, and Safety) System aligned with ISO standards to uphold workplace safety.
- ✓ Holding a valid Environmental Consent to Operate issued by the Government authority, we operate in compliance with environmental regulations.
- ✓ Additionally, we have obtained a valid License from the Director Of Industrial Safety & Health, further affirming our commitment to regulatory compliance and workplace safety.

Plant Reportable Accident-Free Days - 185 Days

OCTG GCC Customer Approvals

Sr No	Customers	Product Group/Reference Spec	Remark
1	KOC	API 5CT Coupling and pup joint	Approved
2	TMK	1.API 5CT Coupling . 2.TMK UP PF(Premium Connection casing and tubing)	Approved
3	Tenaris	API 5CT Coupling	Approved
4	JESCO (JUBAIL ENERGY SERVICES)	Machined Blanks for Premium Connection casing	Approved
5	ADNOC	1.Coupling flow 2.Flanges for pipes CS/AS/SS 3.Accessories, tubing CS ,API 4.Coupling, pup joints and Premium Connection	1.Approved 2.Approved 3.Approved 4.Work in process
6	Qatar Energy	API 5CT Coupling and pup joint	Work in process
7	Qatar Gas	API 5CT Coupling and pup joint	Work in process

RAW MATERIAL SOURCES

SEAMLESS TUBES	Ingot & Rolled Bar
Hengyang Valin Steel Tube	Mahindra Sanyo
ISMT	SAAR Loha (KCSSL)
Maharashtra Seamless	RMG Alloys
Changbao	Mukund Steel
JYCRS	Usha Martin
TPCO	Sun-flag Steel
Baotou Steel	Kalyani Steel
Jindal Saw Limited	Jai-Laxmi Casting
JST	Jaiswal Neco

State of Art Machining Facility

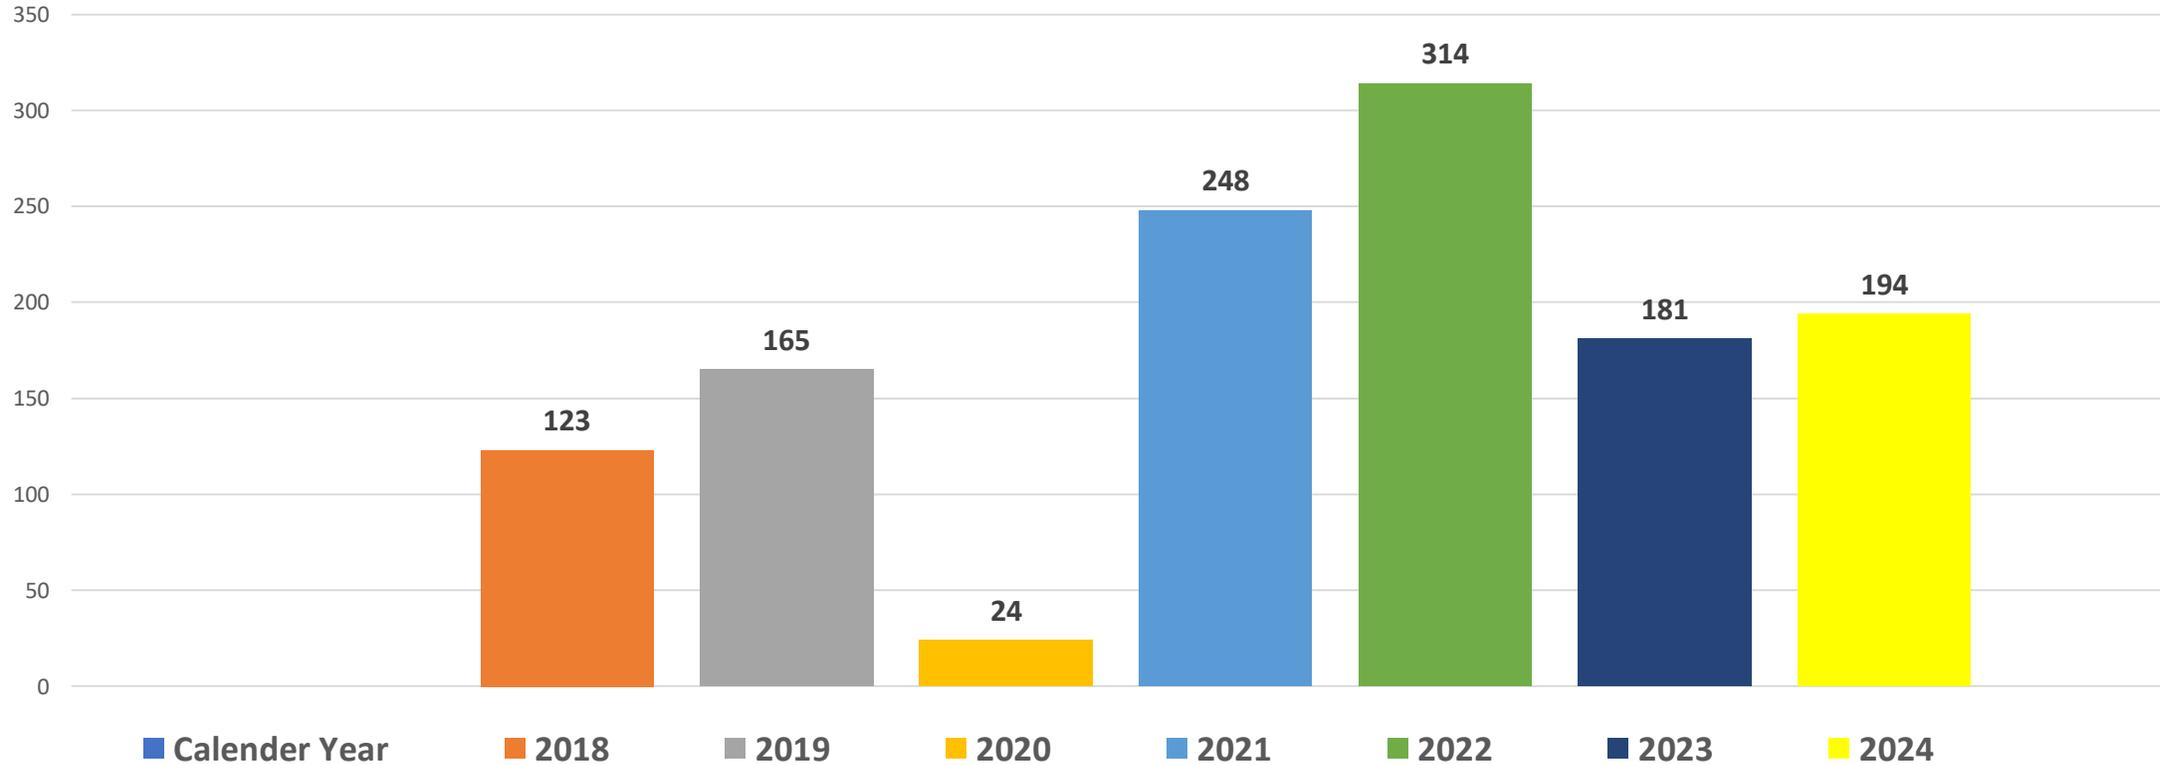

Machine Type	QTY	Capacity	
CNC Turning Centre Make : Hyundai, Doosan, Hwacheon, DMG, Protec	43 Nos	Dia 20 MM - 500 MM Length 100 MM - 1500 MM	Installed Capacity for OCTG products 35 Containers/Month (Basic of Product Mix)
Vertical Milling Centre Make : Doosan, Kitamura, BFW	06 Nos	510 X 430 X 500 mm & 1125 X 565 X 571 mm	
Horizontal Machining Centre Make : Hyundai,	01 No	4 axis with Bed Size 950 X 825 X 760 MM	
CNC VTL Make : Premier	01 No	Dia 700 MM	
Turn Mill Center Make : DMG Mori	02 Nos	Dia 20 MM - 500 MM 5 Axis Machine	

State of Art Machining Facility

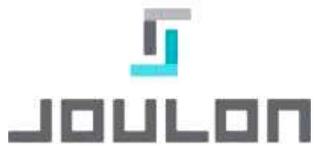

Couplings - Global Sales in Nos of Containers
